CULTURAL COMPETENCY

WORKSHOP:

Module #2

Culturally-Responsive Teaching

Wednesday, October 19, 2005

This workshop will focus on:

- What is it?
- What does it look like?
- What resources are needed?
- How are skills developed?
- Why is culturally responsive teaching important for equitable learning opportunities?
- How to create a culture of learning for all students.
- Who will benefit from such teaching?

Cultural Competency Workshop
Presented by Dr. Thelma A. Jackson
Foresight Consultants

EXPECTED OUTCOMES!

- Develop a basic understanding of cultural competency
- Enhance knowledge about culturally-responsive teaching
- Learn how to succeed in today's diverse learning environments
- Improve understanding about the impact of race and culture on academic achievement
- Increase strategies for interacting with culturally-diverse parents
- Understand the importance of cross-cultural communication

WHO SHOULD ATTEND?

This workshop will benefit Principals, Teachers, Curriculum Directors, Educational Assistants, and other personnel involved in the instructional process, including Higher Education.

Look for a repeat of Cultural Competency: General Overview, Module #1 in the near future. Other Modules and Workshops are listed on website www.consultforesight.com.

Registration available online at www.consultforesight.com!
